Eric,

Thank you so much for pulling this together. Are you available today for a quick phone call? I have a few questions for you regarding the responses.  
Also, I received additional questions from Tom Tuori, this time regarding the NFB Site (see questions below). If we could discuss your answers by phone, I would be happy to convey our official response to Tom.

Thanks,  
Margo

- (a) Can you please share the EPA’s anticipated schedule (**on a tax parcel-specific basis**) for any continued work at the Niagara Falls Boulevard (NFB) properties during 2017 and any associated effects on the use and/or access to the properties?
- (b) Can you please provide a high-level summary of the work that has been completed to date (**on a tax parcel-specific basis**) at the NFB properties and the work that is planned (**on a tax parcel-specific basis**) for the future (in 2017 and beyond)?
- (c) Will the pending removal action fully address the impacts in Areas 1 through 8?
